

## LUSH SUMMER GARDEN PLANTING PLAN

The dry garden at Heronswood looks lush throughout the driest, hottest months because the plants in this area have been chosen for their tolerance to dry soils. There are a few succulents and foliage plants that will make your summer garden feel lush.

### 1 *Agave attenuata*

The ultimate architectural plant and focal point in any garden, the dramatic structural foliage is almost completely neglect-proof - it will also take a little shade. HZ 4-12 CZ 10-12

ST ↑ 1m ↔ 1.5m 🌱☀️🌧️  
 RETAIL \$9.95 CLUB \$7.95 CODE WAGA

### 2 Jelly Bean Plant

*Sedum rubrotinctum* — Jelly bean-like foliage makes this an interesting garden addition. HZ 1-10 CZ 7-11

MP 🌱 Jan-Feb ↑ 20cm ↔ 30cm 🌱☀️🌧️  
 RETAIL \$6.95 CLUB \$5.95 CODE PSERU

### 3 *Euphorbia myrsinites*

A low growing symmetrical ground cover with blue-green foliage. A valuable foliage plant with flowers that start green before fading to dusty pink. HZ 1-9 CZ 7-10

MP 🌱 Oct-Dec ↑ 10cm ↔ 30cm 🌱☀️🌧️  
 RETAIL \$6.95 CLUB \$5.95 CODE PEUMY

### 4 *Kalanchoe pumila*

Clean, silver leaves when new, age to a dark-grey with a pink-blushed, wavy margin. Delicate, cup-shaped, lilac-pink flowers sit comfortably among the charming foliage. Use in the front of the dry border, in pots and hanging baskets. HZ 1-10 CZ 9b-11

MP 🌱 Jul-Nov ↑ 20cm ↔ 35cm 🌱☀️🌧️  
 RETAIL \$6.95 CLUB \$5.95 CODE PKAP

### 5 *Aeonium 'Velour'*

*Aeonium arboreum* — From the 'Atropurpureum' stable which produced the jet-black SCHWARZKOPF. VELOUR produces more compact rosettes that retain a green centre, contrasting vividly against the deep burgundy outer leaves. It doesn't form a trunk, but spreads like a ground cover, so is a useful addition to gravel gardens and small courtyards. HZ 4-9 CZ 9-11

ST 🌱 Sep-Nov ↑ 50cm ↔ 1m 🌱☀️🌧️  
 RETAIL \$12.95 CLUB \$9.95 CODE PAVE

### 6 Blue Chalk Sticks

*Senecio serpens* — This ground cover is one of the most valuable landscaping succulents available. Planted *en masse*, it creates a dense, rippling mat of compact silver-blue leaves that flow between other succulents and shrubs like a turquoise river. HZ 1-9 CZ 9a-11

ST ↑ 10cm ↔ 60cm 🌱☀️🌧️  
 RETAIL \$10.95 CLUB \$8.50 CODE PSERE
